## MEMO FOR THE FILE

Meeting with PACHANKIS 3 March 1975, 1345-1500, Restaurant at the Marrior Motel near National Airport

PACHANKIS stated that our old agent Miguel DIAZ Isalgue was having trouble getting his U.S. citizenship approved. DIAZ had sent in all the papers and I&NS told him the only thing left was the swearing in. So DIAZ waited a year and a half and I&NS never called him in. He called them in November 1974 and was told that there were no problems; that he would be called.

The DIAZ file shows that I&NS requested our traces in December 1974. IP/EIB sent them; there may be something ~~XXXX~~ in them that is causing a problem now though that doesn't explain the 1½ year delay before.

On 6 March, I told PACHANKIS to have DIAZ call I&NS one more time and if there is a real problem, we'd see what we could do.

1. PANCHANKIS RECONTACTED AMCHALK-5 17 JULY. NO PROBLEMS AROSE AS AMCHALK-5 RECALLED PANCHANKIS FROM PREVIOUS OPS CONTACTS.

2. AMCHALK-5 KNOWS VERY LITTLE OF AMWOLF-1'S PRESENT PROFESSIONAL OR PERSONAL BACKGROUND. HOWEVER, FROM THE TWO CONTACTS HE HAD WITH AMWOLF-1 HE DESCRIBED LATTER AS INTELLIGENT, CAPABLE, AFFABLE AND SOMEONE WHO COULD LISTEN TO REASON. AMCHALK-5 STATED HE STILL BELIEVES AMWOLF-1 RECRUITABLE ALTHOUGH HE ADMITS THIS BASED ON PREVIOUS ASSESSMENT AND THIS COULD NOT BE CHANGED.

3. AMCHALK-5 WILLING ASSIST US IN ANY WAY. HE FEELS HE IN GOOD POSITION MAKE PITCH (IF WE SO DESIRE) BECAUSE AMWOLF-1 KNOWS WHERE HE STANDS AND WHO HE IS AND, MOST IMPORTANT AMWOLF-1 WILL KNOW THIS NOT ANOTHER TEST BY HIS OWN SECURITY PEOPLE. THIS LATTER POINT, ACCORDING TO AMCHALK-5 TERRIFIES MOST PERUVEN OFFICIALS.

Subj: Meeting with AMSTALK-1

1. Subject was met in Room 602, Rorer Smith Hotel, Washington at 1700 hours, 18 April 1968. The purpose of the meeting was to discuss the problems Subject ran into at the Argentine Consulate in New York. He said that one of the reasons of the New York office was that he presented a letter of introduction from the Nicaraguan Consulate in New York. This letter was relayed by phone on 17 April, and resulted in Subject's return to Washington. During the interim between the 17 April phone call and the 18 April meeting it was decided to have Subject make an effort to secure the visa from the Argentine Embassy in Washington. Accordingly Subject called the Embassy on 19 April and was informed that no visas were granted by the Embassy, but that he could get one from the Consulate in Baltimore. Subject called the Baltimore office and was informed that if he showed up prior to 1500 hours a visa could be issued without writing. Subject asked about requirements such as a letter of introduction from the Nicaraguan diplomatic installation, and was told that there was no such requirement. Following the call Subject was told to take a bus to Baltimore and make application for the visa. Upon receipt of the visa he will return to Washington, and will be contacted at his hotel room between 1500 and 1600 hours.

While in New York Subject purchased his flight tickets to Buenos Aires as follows: Panam Flight 203, departing from Kennedy Airport at 2100 hours, 21 April 1968. This information has already been passed to Mr. Louis Weinowski, Alien Affairs Staff, for coordination with I&NS.

Subject reported his expenses to date and noted that he only had \$150.00 left of the \$1,000.00 advance made by AMSTALK. He pointed out that at the present rate he would arrive in B.A. with little cash, and might draw the attention of customs because of this. Accordingly, a \$200.00 advance will be drawn for Subject and turned over to him on the morning of 20 April 1968.

Subject turned over receipts as follows:

a. National Airlines Flight No. 108, Miami to Washington, 16 April 1968	\$61.05
b. Eastern Air Shuttle - Travel from Washington to New York, 16 April 1968	19.00
c. Eastern Air Shuttle - Travel from New York to Washington, 18 April 1968	18.00
d. Airwayte Hotel, Washington, D.C. This room was used for an operational meeting between AMSTALE-1 and Mr. Robert L. Farbrini	7.00
e. Taxi Fares	25.00
TOTAL	\$130.05

Subject also spent \$630.00 for one round trip ticket New York/Buenos Aires/  
New York. This will be accounted for on his return from Buenos Aires.

Memo for the Record .

Subject: Contact with AMSTALX-1

AMSTALX-1 telephoned at 1815 hours, 17 April 1968 and reported that he went to the Argentine Consulate General in New York and applied for a tourist visa. He said he was told by them that there would be no ~~xxx~~ trouble granting the visa, but that they wanted him to go to the Nicaraguan Consulate in New York and secure a letter of introduction. He told them he would and left the Consulate General. He took no further action.

After ~~xxxxxxxxxxxx~~ consultation with WH/L it was decided to advise AMSTALX-1 to travel to Washington on 18 April and on 19 April go to the Argentine Embassy in Washington and try to get a visa there.

AMSTALX-1 was called and the above instructions were passed to him. He will call after 1800 hours to advise regarding his whereabouts in Washington.

MEMORANDUM FOR THE RECORD

SUBJECT: Meeting with ANSTALK-1

1. Background: ANSTALK-1 is a JMWAVE asset who was selected to fill a Station Buenos Aires requirement for a native Spanish speaking agent with a technical background. His task in Buenos Aires will be to work in the repair shop of a firm that has access to all Soviet installations in Buenos Aires. He will accompany a member of the firm when it is called by the Soviets to repair, maintain or install electrical appliances located in one of the installations. ANSTALK-1's initial task will be to case the installation for the purpose of locating a suitable site for an audio installation.

2. The undersigned met ANSTALK-1 in his room at the AIRWAYTE Hotel, National Airport, Washington, D.C. at 1530 hours, 16 April 1968. The meeting followed a telephoned exchange of prearranged recognition signals. The purpose of the meeting was to pass to ANSTALK-1 a Nicaraguan passport in alias and an Immunization Record in the same alias. He will use these documents for the remaining portion of his travel - Washington/New York/Buenos Aires- and to secure an Argentine tourist visa from the Argentine Consulate General in New York. ANSTALK-1 was briefed on the contents of the passport, and in the manner in which it is to be used, i.e., as a travel document only, and to be turned over to Station Buenos Aires for safekeeping during his TDY in Buenos Aires.

3. ANSTALK-1 was given the undersigned's first name only and home phone number with instructions that he is to call after 1800 hours on the day he secures the visa and purchases his flight tickets. The call will be made at least 24 hours prior to his departure from New York to allow time to inform the Station of his travel schedule and to coordinate his departure with the Alien Affairs Staff. ANSTALK-1 had already been briefed by JMWAVE regarding contact in Buenos Aires.

4. AMSTALK-1 said that the cover for his travel from Miami was coordinated with JMWAVE, and is as follows: He is on a business trip to Ecuador where he has had business connections (he has actually traveled there on business). He has had to leave on short notice because he received word to go to Ecuador to take care of business matters.

5. AMSTALK-1 said he would like to send letters to his wife while he was in Buenos Aires. He was instructed to pass the letters to the Station who would send them on from there.

AB Memo No. 9562  
12 April 1968

MEMORANDUM FOR: Chief, WH/A/Argentina

ATTENTION : Mr. Robert Fumbrini

SUBJECT : Transmittal of Nicaraguan Ordinary Passport in Alias  
for Use by AMSTALK-1 - AB Case No. 8837

REFERENCE : WH Memorandum dated 5 April 1968, same subject

1. Transmitted herewith for use as outlined in Reference are the following two documents issued in alias for AMSTALK-1: Nicaraguan Ordinary Passport No. 88781 and U.S. Immigration and Naturalization Form I-94 (stapled in the passport, page 9). Also furnished herewith is a travel itinerary on which AMSTALK-1 should be briefed before he applies for the Argentine visa in New York.

2. In keeping with arrangements made by TSD/AB, the Medical Office is preparing, for direct delivery to WH/A, the International Vaccination Certificate in alias to be used with the above documents. This certificate should be checked for accuracy as to name, place and date of issue. It is also understood that AMSTALK-1 will have received a bona fide smallpox vaccination prior to departing from the U.S.

3. TSD/AB prepared the above Nicaraguan passport on the strength of information that BIOGENESIS would instruct an Argentine Consular post in the U.S. to place a visa in the passport. The document was prepared in one week from date of request because of operational urgency. The requirement specified use of a Central American passport. To avoid placing a long, time-consuming simulated itinerary in the passport, it was given a recent issuance date, which necessitated issuance on the basis of exemplars issued nearly one year earlier (the most recent ones available). This short itinerary also would seem to make application at this time in the U.S. for an Argentine visa somewhat unusual. Since we are now informed that AMSTALK-1 is to obtain his Argentine visa without BIOGENESIS assistance we wish to make the limitations of the documentation provided for this operation, and agreed to by Mr. Fumbrini, a matter of record. This confirms discussion with Mr. Fumbrini. A telephone check with the Argentine Embassy by WH indicated that a Nicaraguan transient in the U.S. can obtain an Argentine visa in this country.

SECRET

Page 2.

4. It is understood that the passport will be needed for about six months, following which it is to be returned to TSD/AB. Should further operational need exist for this document beyond that time, it must be borne in mind that the expiration date is 7 March 1969 and that annual revalidations are needed from that time forward. Any such revalidations would have to be entered by TSD/AB. Also, use of this passport for travel other than that originally intended (direct from U.S. to Argentina and back within six months) will require careful scrutiny by TSD/AB of the situation at the time of the intended future travel.

5. In accordance with verbal arrangements between Messrs. Fambrini and Phelan, please pass on to TSD/AB details of AMETALK-1's procurement of the Argentine visa and any other travel control events of significance in the use of this passport so that TSD/AB may gain from the experience of this agent in the use of this alias document.

6. Any further questions concerning this case should be referred to the undersigned or to Miss Tina Japikse on extension 2531.

MAKE CLEAR IT UNLIKELY RAM INSTALLATION CAN BE MADE IN SOVIET EMBASSY BY AGENT TECH SUCH AS AMSTALK-1. CANDIDATES UNCOVERED THUS FAR HAVE NO KNOWLEDGE WOFIRM AUDIO DEVICES AND NO AUDIO TECH ABILITY (IN CONTRAST GENERAL MECHANICAL, TECHNICAL KNOWLEDGE). APPEARS QUESTIONABLE HOW MUCH AGENT SUCH AS AMSTALK-1 CAN ACCOMPLISH BEYOND CASING. SINCE ULTIMATE INSTALLATION WILL PROBABLY HAVE TO BE PREFABBED DEVICE WHICH COULD BE INSTALLED BY CASTAGNA, WE SUGGEST YOU ALSO CONCENTRATE ON SUITABLE COMPONENT PARTS, ACCESSORIES OR OTHER ELECTRICAL FIXTURES USING PACY TECH AS SUGGESTED PARA 3, HABW 11024. WE FEAR THAT BY PLACING HEAVY RELIANCE ON AGENT TECH TO MAKE INSTALLATION WE MIGHT MISS OPPORTUNITY FOR MORE CERTAIN INSTALLATION USING COMPONENT PART. INFO

FROM Chief of Station, JMWAVE *Hickcox*

SUBJECT TYPIC/Operational  
Termination of AMSTALK-1

ACTION REQUIRED: *REPERM23*

ACTION: Cancel OA and MOC

1. Transmitted herewith are the Agent Service Record, Damage Report and Form 2457 on AMSTALK-1, who was terminated 29 February 1968. Subject was terminated for economy reasons, the lack of operational activity and because of the current JMWAVE reorganization. The termination was amicable and without prejudice. Attempts to place Subject with another JMWAVE component or the JMCHALK program were unsuccessful. Please cancel Subject's OA and MOC.

2. JMWAVE believes it worth noting that Subject has an excellent operational record and has participated in a number of special operations as a team member, team leader and principal agent. In addition, he had a hand in the recruitment of AMTRUNK-19, and, as recently as June 1967, made a WOFIRM-sponsored operational trip to Madrid.

3. As a result of the good will built up with Subject over the years of WOFIRM service and the excellent rapport maintained with him throughout, Subject offered to make himself available on short notice for any WOFIRM operational assignment. His 201 file contains his current location, in the event recontact with him becomes desirable at a later date.

1. On 30 January 1968 AMSTALK-1 was shown the passport picture of Pedro Luis PINERO Eiria, which was received at JMWAVE as an attachment to the reference, for possible identification as one of the two Cubans he had met with in Madrid on 23 June 1967.

2. AMSTALK-1 said the individual in the photo was definitely not "Guillermo". He said that if the individual was one of the two he had met with, it would have to be the second man, who used no name but gave the impression of being a bodyguard. However, he said the second man had darker skin tones; looked like an Arab or Lebanese; appeared to have some Negro blood, although he would not classify him as a mulatto; and had curly hair which was almost kinky. The eyes, lips and receding hairline are very similar, but the individual he met had a large bushy mustache.

Miguel - Sientate, quieres un cigarrillo?

Guillermo - Como no, gracias.

Miguel - La situation no se cual es, te das cuenta, entonces quiero conocer la situation.

Guillermo - Ante todo, vamos a tener la perspectiva de una conversacion, en todos nuestros aspectos, e incluso en la actitud necesaria queramos verle a fin de rectificar. Toda esta conversacion va a ser algo mas tecnica, lo mas armado, tratando de subsanar, y siendo lo mas ecuanime posible.

Miguel - Si, yo creo que tanto Uds. como yo, todos tenemos ..... somos cubanos, y entonces podemos conversar. Entonces que lleguemos o no a un acuerdo ya es otra cosa, pero siempre podemos hablar y no creo que con eso se perjudicaran ni Uds. ni yo. Mis ideas Uds. saben cuales son. Siempre han sido esas, desde que luchabamos contra Batista, o sea no es una situacion nueva ni es una cosa improvisada. Y tambien saben por que me fui de Cuba. No fue ambicion politica, porque yo estaba muy bien con el gobierno y tenia muchos amigos, sino simplemente porque no estaba de acuerdo con las ideas. Pero bueno es una parte de la cosa que no vamos a discutir, pero sinceramente en lo que ..... me vine de los EEUU aqui y no es cosa de juego y estar retido ya en la situacion esperando llamado de Uds. tampoco. De Cuba llegue el jueves pasado.

Guillermo - ..... de La Habana?

Miguel - Hando un telegrama pero con la direccion equivocada, con el numero equivocado. Me lo entregaron entonces mande uno a los dos dias como no tuvo exito entonces.....

Guillermo - Como preambulo te dire que te conocemos, nos conocemos mas o menos. Sabemos las ideas de (oidas?). Queremos saber que quieres tu de ideas, de accion, de hechos, de exproclamaciones, colocaciones mas alla de lo debido, las ventajas, etc. Mira, fíjate, cuando nosotros te conociamos durante la lucha revolucionaria de tipo continental, tu no eras un tipo comun, tu eras un tipo singular.

Miguel - Y o soy un cubano mas, igual que Uds.

Guillermo - Te quiero decir, tu tienes personalidad, tenias ideas, tenias barba, te pusiste ..... mas o menos, en una cuestion luchando por ahí. Luego vienen los primeros años donde entra una serie ya de compromisos en cuanto al proceso. Tu en lo que te rodea. Fíjate, en cuanto a los años interesantes, quisiera que tu me hicieras un analisis para poder empezar la discusion, ese año 1959-60, que t e paso a tí?

Miguel - 1959-60, empezando, yo nunca presencie el 26 de Julio. Fui Presidente del Directorio, fui amigo personal de Jose Antonio DEFIETUSC (fon) de CHENIL (fon), de PSPIN (fon). De toda la gente del Directorio. Es mas, nunca presencie el 26 de Julio. Yo tuve la suerte de conocer a un individuo, al mejor amigo de Fidel Castro, que si conocia las ideas de Castro. Y se lo puedo decir como un secreto, porque sino lo perjudico, puesto que lo quiero entranablemente, es para mí como un hermano. Yo se lo digo Uds. lo saben. El sabia como Fidel pensaba, inclusive Fidel lo reconocio en una reunion personal, que teniamos

Miguel - en Santa Fe en el año en que fue convocado, un mes antes. Estaba Federico, no Federico no, Santamaría, Isaac, Fidel y no recuerdo quien más estaba. Entonces FIDEL le dice, se rio y le dijo Isaac: tu de Jefe del Ejército y yo de Presidente de la República, a ver quien se mueve en Cuba, que fuera de estilo comunista, y desde entonces nos nunca se vieron, y el retroproceso ya se conoce. Esa es una de las partes de ..... con las cuales yo estaba predispuesto con ..... de Fidel, perfectamente con Fidel y conocía sus ideas, y así fue como en el año 1956 en los EEUU, en el 1957..... Inclusive los primeros meses del gobierno, como diez muchachos conversamos eso y somos el ....., el lo sabe.

Guillermo - Fíjate, viendo perspectivamente como se representa tu suspicacia, tu desavenencia, ya visto el proceso, el desarrollo (Miguel interrupts)

Miguel - Dijimos al principio que íbamos a hablar con sinceridad, no es cierto? Ud. ve que yo hablo muy claro.

Guillermo - Fíjate, nosotros tenemos que buscar un punto de coincidencia, si no buscamos un punto de coincidencia ....(Miguel interrupts)

Miguel - Específicamente, cual es la razón por la cual Uds. han buscado que me viniera hasta aquí?

Guillermo - Mira Miguel, te voy a hacer la historia.

Miguel - Ahora comprendiendo, porque podemos estar hablando tres días seguidos y no nos decimos nada.

Guillermo - Mira aquí vamos a hablar con sinceridad. Tu eres un individuo que, claro, para un cubano es poco común, entonces una serie de boberías, boberías dentro del personal, técnicamente mal hecho, entonces tuvo el ..... una serie de problemas que nosotros no podemos anticipar sobre este punto la manera necesaria y dejar la otra, era un caso específico. Entonces que pasa, pero claro ponemos ..... la familia que pasa con este que está de tonto aquí viendo a gente que como ..... Entonces eso parte de la historia; se congela la salida y la entrada de todo el mundo allí.

Miguel - Eso que te digo de Fidel se lo digo a Marcelo en el año 1956 en mi casa. Me dice Miguel, ven acá. Yo en aquel entonces era Presidente de la Asociación de ..... Me dijo Miguel, por que no vienes a trabajar con nosotros en el ..... 26 de Julio. Yo sé que Fidel es comunista y tu lo sabes también. No, estás equivocado, no me estoy equivocando.

Guillermo - A nosotros nos interesa en cuanto a lo queo buscar la línea de coincidencia, porque fíjate tu a tu parte es una cosa. Tu eres un agente que para nosotros ..... todavía no ..... porque en el lugar donde te colocaste no te te confía. Primero de todo que apoyas demasiado ..... desde el punto de vista técnico, vamos a mantener una estética.

Miguel - No hay nada mas logico que si tu vas a ..... tu madre, no que la ..... sino que la veas. Mi madre es una mujer que te voy a decir una cosa, todo lo que le ha hecho a Cuba ha sido bien. Toda su vida ha sido maestra, ha tenido muchos amigos, ha hecho mucho efectivamente en contra de Batista, te las cuenta? O sea que el estado ha tenido consideraciones con ella y con el resto de la familia por ..... porque tambien, aparte de lo que haya sido yo, eso es completamente aparte de mi, yo no tengo nada que ver con ella.

Guillermo - No tienes nada que ver pero ..... Mira chico aqui hay una cosa que esta escrita en la carta, mira (probably shows him something). Hay un millon de cosas a solucionar, partiendo del entendimiento mutuo. Que eso es lo que tratamos de participante, queremos decirlo.

Miguel - Bueno, pero que tipo de entendimiento por ejemplo?

Guillermo - Buscar una linea, tratar de ubicar que te molesta, que te mortifica, que tienes y entonces vamos a ver, vamos a entrar en discusion, hoy, podemos tener una discusion diaria, porque esto es problema de mas de un dia, podemos discutir a ver hasta donde podemos llegar. A ver quien eres tu de veras, o que quieres. Aparte de eso, mira tu juicio es contradictorio, tu eres combatiente de un cuadro y te metes en ese bando y te destancias en ese bando. Las cosas que tu vienes a plantearnos a nosotros son contradictorias. No en el origen ideologico, que ya estamos de acuerdo tu no eres comunista, pero en la cuestion practica, es la contradiccion de la persona. Porque hay millones de cosas ideologicas que no vamos a entrar.

Miguel - Yo no se, especificamente ..... para que esos senores puedan dejarla en libertad que es lo que habria que hacer.

Guillermo - ..... (speaks in very low voice)

Miguel - Espero que no, pero estoy tratando de ayudar porque... (Guillermo interrupts)

Guillermo - ..... Mira Miguel, el (balon?) moderno de lo que el mensaje que te queriamos dar es ese. Que discutas con el, discutas un poco, no ..... (he mentions Manolo again). Que trates de discutir con el, ese es el objetivo nuestro, y ademas la carta esta puesta.

Miguel - De manera que eso, la actitud mia, es una actitud, una posicion clara, definida, no pueden tener Uds. en ningun momento idea de que yo pueda tener un doble juego con Uds., siempre hablar con claridad. Yo con Uds. no podria llegar nunca en la vida a ningun tipo de acuerdo en cuanto al trabajo se refiere, porque mis ideas son radicalmente opuestas a las de Uds. Eso no quiero decir que no pueda conversar con Uds. ni eso no quiero decir que no les tenga afecto a Uds., que somos como hermanos, mismo Manolo, Manolo y yo siempre nos llevamos bastante bien, pero ahora el esta en un lado y yo estoy en otro, radicalmente opuesto. No estoy dispuesto a enganarme.

Guillermo - Okey.....

- 4 -

Miguel - Creo que las dos líneas saben que estamos aquí.

Guillermo - Que quiere decir eso?

Miguel - Quiero decir que el gobierno de los EEU U saben, no que estoy en esta habitación en este momento pero que estoy en España y que vine a hablar con Uds. Por eso le digo a Ud. que la intención mía no es crear un doble juego ni a Ud. ni a mí. Ellos saben que mi madre está en Cuba, están conscientes de eso, y que en Cuba Uds. .... Lo que quiero decir es que no hago juego sucio con Uds.

Guillermo - (habla de una situación y de analizarla mas, muy difícil de entender)

Miguel - Es una lucha que ha tenido muchas alternativas. Como Uds. vieron yo cometí un error, Uds. también cometieron un error, todos cometimos errores, todos fueron susceptibles de cometer errores. Pero siempre podemos hablar, siempre podemos hablar, este hecho por ejemplo, que estamos nosotros reunidos aquí, hace dos o tres años yo creo que hubiera sido imposible.

Guillermo - Este planteamiento muy fino, es un planteamiento que a nosotros nos protege; eso sí, nos protege. Tendríamos que entrar a la cuestión ideológica como tu planteas no creo que de momento ..... En nuestra opinión, entonces el planteamiento que tu haces, que tengo que hacer yo?.....

Miguel - Yo no haría nada que afectara en ninguna forma mi modo de pensar. Ya le digo no tengo ningún interés en hacerles que tengan una idea equivocada o errónea, un doble juego como se que hay quien lo hace, que se ponen a hacerle juego a Uds. para ver lo que dicen o hacen. Yo vivo en los EEUU, me siento cubano, soy cubano y debo sentirme como tal, y quiero a Cuba y quiero a mis amigos que están allá, no a los amigos que están en el gobierno, otros que están presos, y por eso he venido aquí a conversar con Uds.

Guillermo - Esa es una disyuntiva un poquito cerrada, un poquito cerrada. Yo no puedo creer sobre los amigos que tu tienes allá y que están en el gobierno, no se que no te gustaría nada positivo para ellos. Los otros amigos que tu tienes allá que están presos, esos sí que tampoco puedes esperar nada positivo para ellos. Hay una cosa cierta, a través de 3 años que son 3 años de revolución, tu sigues manteniendo una conducta en tu opinión nunca jamás equivocada. Hasta cuando tu podrás seguir manteniendo esa línea de conducta? 27, 14, 15 años? Tus amigos seguirán presos, yo ~~me~~ tendré una opinión quizás no muy buena de ti. El problema de Cuba yo no creo que se defina en una forma fácil. Cuba ya no es un caso aislado, tu lo sabes. Cuba forma parte de un problema continental incluso mundial.

Miguel - Por desgracia, tanto para Uds. como para nosotros.

Guillermo - Nosotros no, nosotros por suerte. Pero bien, esa es la situación. La situación es un poco difícil. Porque EEUU no han podido liquidar ..... América Latina es un continente en revolución, Asia también. Claro, estos son nuestros puntos de vista que por supuesto pueden ser muy divergentes a los tuyos.

Guillermo - Cuando eramos mas debiles, cuando estabamos mas aislados, no podiamos influir, en cambio el que hubo ahora tengo una fe absoluta (?). Es una situacion dificil y que prospectivamente, no se, quizas tu entres en analisis perspective de lo que tu hagas.

Miguel - Hay una cosa que es la siguiente, estaba analizando la situacion. Desde el punto de vista de U.S.A. esta bien; ahora el punto de vista mio es el siguiente: yo no soy comunista, por lo tanto .... en Cuba.... las ideas..

Guillermo - Fijate, mira yo te diria a ti otra cosa. Yo te diria a ti que en Cuba hay gente que no es comunista, que no simpatiza con la revolucion, que es Catolica que tienen todas sus ideas, de todo tipo, sociales, predicales, diversas en general, no coincidentes con las ideas de la revolucion, sin embargo estan en Cuba, tienen sus hijos, tienen su trabajo, disfrutan de sus vacaciones, o sea que es una actitud de familia que ..... Una cosa es el ciudadano que se va a los EEUU o se va para Pakistan Occidental que no quiere saber nada mas de Cuba.

Miguel - El que se vaya de Cuba y no quiera saber mas de Cuba no es buen cubano.

Guillermo - O quiera saber de Cuba, se entero por la prensa, como avanza la revolucion, las dificultades de la revolucion, la situacion mundial por la zona de Cuba, Cuba con relacion a la situacion mundial, se sigue enterando, se siente cubano, tiene una bandera cubana en la casa, se sigue sintiendo cubano. Sin embargo, se dedica a una serie de juegos un poquito peligrosos, tu te das cuenta? Introduccion de RF 48A (fch), introduccion de ..... y hasta ahora nosotros no hemos tenido mas remedio que defendernos, defendernos de la forma mas humana posible, porque yo te digo a ti realmente con el cargo que tenia tu hermano (?) que ..... era para ..... estamos hablando en nuestro propio idioma. Nosotros no podemos estar dando bombones al que nos tira piedras, y ademas vacaciones al que nos introduce materiales de espionaje.

Miguel - ..... exactamente igual.

Guillermo - Quizas, si.

Miguel - En los EEUU no, porque en los EEUU la situacion del pais es distinta, a la de los paises latinos. Es mejor.

Guillermo - Hay una diferencia sensible, por ejemplo nosotros no lo hacemos digamos contra nuestro propio pais, contra nuestro propio pueblo.

Miguel - Tu crees que el pueblo de Cuba esta contento con la situacion de ahora?

Guillermo - Yo creo que si, mira yo te voy a decir otra cosa para que tu tengas una idea clara y nitida de esto. Hay una serie de gente con nivel cultural bastante jodido que no tienen porque ponerse en contra de la revolucion, aunque no sean revolucionarios sinceros, que si miramos del punto de vista economico, han mejorado con la revolucion, si lo miramos desde el punto de vista politico, han mejorado tambien, te das cuenta? Entonces a esas personas nosotros los consideramos tambien parte del pueblo de Cuba. Mira, a nosotros no nos preocuparia mucho de que tu te quejes de tu (?), incluso .... un resultado, tu te das cuenta?

- Miguel - El problema es que esas personas, con el forma de pensar tampoco me daría muchos resultados. No sería valioso para eso.
- Guillermo - (Talks about how successful they've been, very difficult to understand what it is)..... que tu estes con un servicio de inteligencia de un país que está tratando de .....
- Miguel - del comunismo?
- Guillermo - Vamos a hablar de esto, como liderazgo de que? Vamos a llamarlo por su nombre. De la escuela. Cosas concretas porque se habla en abstracto se parece a la otra (?) Cuando se habla en concreto tenemos que llegar al sistema social de algo, a escuelas, a hospitales, a comida, a existencias sociales.
- Miguel - ..... sistema social que se conoce por el nombre comunista de capitalista y en los sistemas sociales se puede progresar..... como el cambio de Rusia de la época de los zares a la fecha actual es una cosa increíble, posiblemente nunca se ha visto..... por eso los EEUU y otros países como los EEUU también .....
- Guillermo - Igual que el de Perú, el de Ecuador, el de Bolivia, el de Brasil.
- Miguel - Tu sabes el problema de Sudamérica cuales.
- Guillermo - (interrupts), El origen de esta cuestión es muy simple. En primer lugar tu tienes la Cuba de tu información parcial. Esta la otra Cuba, la Cuba que combate, la Cuba que rinde, la Cuba que va el 31 de diciembre, 300.000 o 400.000 a un lugar a festejar, la Cuba que tiene cuero. Tu basas tu información en base a que? EEUU está viviendo a costa de Nicaragua, de Costa Rica, de Bolivia, de Panamá. Porque mira, si hablamos de liberación lo primero que tendríamos que liberar sería la humanidad.
- Miguel - La situación actualmente en Cuba no es de la mejor. Hay escasez de todo. Negar eso sería faltar a la forma en que estamos conversando.
- Guillermo - Si, hay escasez, eso tu sabes por que hay escasez? Porque todo el mundo corre, son dos cosas que se vienen hacia mí. En toda Cuba, desde la sierra, no hay un niño, no hay un anciano, no hay un hombre que se quede sin correr, pero hambre hambre entonces no hay.
- (then they talk about 5 minutes, very difficult to understand, possibly about Cubans living in Miami and how they live.)
- Guillermo - No nos podemos de acuerdo.
- Miguel - Para mí hubiera sido una posición mas cómoda haberle hecho juego a Ud. y lo pudo haber hecho, puesto que he venido aquí, nadie se conoce aquí, nadie sabe que yo estoy. Hemos hablado con sinceridad. Otra cosa, no creo que hubiera sido correcto crear un doble juego y aceptar, cambiar el manera de pensar. Eso sería lo que casi cualquier otra persona hubiera hecho pero yo no lo haré... Entero que algún día cambio de manera de pensar. El mundo de muchas vueltas y quien sabe, nadie sabe, ahora está fascinado con esas ideas, a lo mejor cambia.
- Adiós, mucho gusto.

SUBJECT: CUIS RECRUITMENT ATTEMPT AGAINST BOLLEN IN THE U.S.

Jel-367337

2. AMSTALK-1 (Identity B) received recruitment letter in very sophisticated operation involving a frame of 35 mm film rolled up and concealed in a hollowed out crucifix on rosary beads sent via his cousin who came out on the airlift on 11 April 1967. The letter believed to be from AMGHOST-1 was mildly threatening to AMSTALK-1's family and friends in Cuba and suggesting a meeting with the CUIS in Spain or Canada. Local LNERGO not advised. AMSTALK-1 and JMWAVE Case Officer are currently in Madrid on this operation. It is believed that this operation was initiated by AMGHOST-1 for unknown reasons, but possibility exists it is to establish a communications channel to WOFAC.

DESCRIBED

Subject: Iden A

ANSTALK/1 was interviewed and tested at a covert site in the Miami, Florida area on 17 May 1967 at the request of Stanley B. JERZAVIT. The interview was conducted in English in which ANSTALK/1 is fluent.

Testing was requested following receipt by ANSTALK/1 of a recruitment letter, apparently from the Cuban Intelligence Service. Details regarding the letter were forwarded to Headquarters under UFGA-27562.

ANSTALK/1 is presently a WOFAC principal agent who, although he never worked with the CUIS, was acquainted with numerous Cuban intelligence personalities. He was last DECLASSIFIED on 7 December 1966.

#### RESULTS

ANSTALK/1's cousin, Iden B, did bring ANSTALK/1 a letter from Cuba and ANSTALK/1 believes that the letter came from the CUIS.

ANSTALK/1 was never previously contacted by the CUIS and he has not been given any means of contacting the CUIS which he has not revealed to WOFAC.

ANSTALK/1 has no reason to believe that his cousin has not told him all he knows about this matter and he himself is not concealing from WOFAC anything that he knows about it.

ANSTALK/1 cabled a reply to the letter exactly as instructed by WOFAC.

While future intentions are not a valid topic for DECLASSIFIED testing, ANSTALK/1 was asked during testing whether he is now willing to engage in an operation involving direct confrontation with the CUIS and whether he would continue his anti-Castro activities even though his friends or relatives in Cuba might be in danger. For what it is worth, there was no indication of deception when ANSTALK/1 replied affirmatively to both of these questions.

#### DETAILS

Prior to testing ANSTALK/1 mentioned that during the pre-Castro era he was frequently in contact with persons now in the upper echelons of the Cuban government. Among these were Iden C and Iden D. Although he was asked on numerous occasions to join the 26th of July Movement he was never asked to work for CUIS or contacted by Cuban intelligence with respect to working for them prior to the present instance.

ANSTALK/1 said that he believes that Iden B has passed on to him all the information she was told to by the CUIS. He said however that Iden B talked with Iden C about forty-five minutes and he feels certain that Iden C told her more about his (ANSTALK/1's) activities than she has admitted knowing.

ANSTALK/1 said that Iden B told Iden C that she would not cooperate with the CUIS in any action which would harm her husband, Iden E, who is presently in prison in Cuba. She was apparently re-assured that what she was to do would not make her husband ashamed of her. For this reason ANSTALK/1 says that he feels that the intent of the CUIS is to neutralize him. ANSTALK/1 is of the opinion that the CUIS thinks he occupies a much more important position within WOPACT than he actually does.

ANSTALK/1 said that he is perfectly willing to follow WOPACT directions; that he will gladly engage in a direct confrontation with the CUIS if this is desired and that he would do so even though friends or relatives of his in Cuba might be in danger.

I think we ought to go out on record on this case before JMWAVE really gets all wrapped up in a hum erration. Did that cable ~~XXXXX~~ we had drafted ever fly ?? In any event, you know pretty much what my feelings on this matter are and we should get them (assuming we are in agreement) down on paper someplace. Although there isn't any blame on us for the FAGHIST/8 fiasco it has made me rather leery of taking JMWAVE's ideas. Even though Jake says we can't knit-pick on JMWAVE we can at least make our views a matter of record.

Thank you,

hm

*Dismissed w/ Harry. Agreed that present  
primary cable stick down little chance  
in getting anything more out of*

WSTALK/1 has probably already sent a cable to the CUIS agreeing to meet them in Madrid since we ~~WSTALK~~ fooled around bending over backwards not to hurt JMWAVE's delicate sensibilities. However, the attached is a pretty good try and we should at least make it a matter of record that we don't think it is a well thought out operation when WAVE has to send a CO when there is a three man PEROMEN section in the Madrid Station.

CUIS Proposal for Meeting with AMSTALK-1

JMWAVE 6980, dated 4 May 1967

Attached for Headquarters information and evaluation are copies of three JMWAVE memoranda, WSO's 3012, 3013, and 3022, covering the background and events of the CUIS proposal to AMSTALK-1 requesting a meeting to be held in either Canada or Spain. It should be noted that some information reported initially is corrected in later memoranda. As presented in referoncos and brought out in more detail in the attached memoranda, the operation by the CUIS seems to be directed by Manuel PINIERO; the professionalism shown in the preparation of the message and the subsequent concealment of the message were certainly not warranted by the circumstances. If the purpose were only to get a message to AMSTALK-1, a simple typed letter in a sealed envelop would have done the job. The use of strip film which necessitates special equipment for reading, also suggests the possibility that the entire operation is designed for the purpose of opening a channel to WOFAC. PINIERO would probably assume AMSTALK-1 would report the incident to WOFAC and the utilization of professional techniques might be a means of establishing bona fides in order that WOFAC not dismiss the message as other than genuine. Also attached for Headquarters are photographs of the crucifix in which the message to AMSTALK-1 was concealed.

SUBJECT: Recruitment Proposal Received by AMSTALK-1.

- 1. On 25 April 1967, RAMSKILL and COMFIELD met with AMSTALK-1 at safehouse #316 at his request for the purpose of discussing what the agent described as "a matter of urgency".

2. AMSTALK-1 said that his cousin, one Marta ISALQUE Rodriguez, 44 years old, arrived in Miami via the Freedom Flight on 11 April 1967. She is the wife of Fernando de ROJAS, who is presently serving a 30 year sentence in La Cabana Prison for conspiracy against the Castro Government. Marta had applied for exit from Cuba some time ago, but it wasn't until she wrote a letter to Manuel PINEIRO, aka Barba Roja, Director of the DGI and close family friend of the ISALQUE's prior to the Revolution, that she had any inkling that her exit request would be honored. Following dispatch of the letter, she was telephoned by PINEIRO who said that he had taken her case under his personal supervision, and that she would be visited by someone from his office in the near future. The following day, PINEIRO's secretary called on Marta to discuss the situation, and obtain necessary additional details. Not hearing anything concrete for about one month, Marta again wrote to PINEIRO, who again telephoned her saying that immediate action would be taken. The following day she was visited by two men who claimed to be from PINEIRO's office. One identified himself as MENENCEZ and said that he was a former close friend of AMSTALK-1. They gave Marta a definite date for her departure from Cuba, and promised to return again to insure that the plans were working smoothly. Just prior to leaving Cuba, Marta was revisited by the two PINEIRO representatives, and was told that she had been

granted a farewell meeting with her husband in La Habana. On her way to the airlift, she was permitted a lengthy conversation with her husband, and was given a new cross to attach to her rosary beads, and told that inside the cross was a message for AMSTALK-1 in Miami, and that she would be doing AMSTALK-1 and herself a favor by delivering it. RODENDEZ added that the message was from a good friend of AMSTALK-1's. Marta later boarded the Freedom Flight under the supervision of RODENDEZ who permitted her to bring with her certain of her personal jewelry which a normal exile is not permitted.

2. AMSTALK-1 avoided meeting Marta at the airport for reasons of security, and saw her for the first time on the following night, 12 April, but there were so many friends and family present that they had no chance to talk alone. Marta did indicate, however, that she wanted to have a long talk with AMSTALK-1. The following day, Marta left for West Palm Beach where she stayed with relatives for about one week. She returned to Miami and telephoned AMSTALK-1 on 24 April, at which time a meeting was arranged for the same evening. It was at this meeting that Marta gave AMSTALK-1 the above story and the rosary.

3. There is attached a translation of the message to AMSTALK-1 which was hidden in the lower upright of the cross. It appears to be a positive 35mm film strip of one frame. According to TSB, it was a professional concealment job. The name and address to which AMSTALK-1 may direct his replies is unknown to the agent, although all of the facts in the message indicate that the writer knows AMSTALK-1's position exactly. The agent believes that the reason for the sending of the message at this time is that he was involved in the CUBELA/GUIN wrap up and because this is the first time that a close relative of his has come out. The agent has agreed to follow whatever instructions we may have for him without question, and reiterated that the Cuban colony here and the Castro Government know that he cannot be influenced by any such threats of blackmail against his family, a condition he has been living with for the last five years.

4. In addition to the above, Marta provided the following information:

a. AMTRUNK-19, cousin of both Marta and AMSTALK-1, appears to be assuming a role of lesser importance in his job and in Cuba as the result of the departure of

S E C R E T

S E C R E T

-3-

Che Guevara, to whom he was very close. ANTRUNK-19's wife, who used to be a secretary to the wife of Raul CASTRO, has all but dissassociated herself from revolutionary activity. She was formerly very active.

b. Jose MASIP Isalgue, another cousin, is still writing for the Cuban Institute of the Theatre. He remains very pro-Communist.

c. Antonio MASIP Isalgue, another cousin, is presently in East Germany studying. He cannot return to Cuba. He previously studied and/or worked in the Soviet Union, Czechoslovakia and Poland.

d. Certain fruits which are grown in Cuba, but were heretofore exported and unavailable locally, are now plentiful. On occasions, they are given free to the public in the local markets. On the other hand, canned Soviet goods, which were plentiful before, are now almost non-existent.

e. The Isle of Pines was closed and the 50,000 prisoners have been transferred to the mainland to work on farms.

f. A live-and-let-live attitude has been adopted by the Castro Government in relation to the opponents of the regime. Persecution is falling off.

g. Marta's husband, Fernando de ROJAS, was sent to Matanzas following the CUBELA/GUIN wrap up, and was interrogated, but was exonerated from any implication, and returned to La Cabana.

h. During Marta's conversations with her husband prior to her leaving Cuba, the two PINEIRO agents joined in the talk without being in any way oppressive, and encouraged Marta and her husband to suggest ways in which "the system" might be improved.

5. AMSTALK-1 was asked about the possibility of Marta's providing additional information or support, and if she might consent to entering into contact with an American. The agent made it clear that she was frightened by what the implications of the message she had brought out for AMSTALK-1 might be, and had no intention of getting any further involved in clandestine relationships, since both her husband, and adopted mother (mother of AMSTALK-1) were still in a dangerous position. AMSTALK-1 was instructed to review the message he had received, talk again with his cousin, Marta, and add whatever he could to amplify the available information in this matter.

00000  
Miguel: In the last years of the revolutionary process we have been in contrary positions and, at times, our acts have affected your decisions to oppose us by serving third interests. The struggle has had its ups and downs, but without a doubt, the weight is now in our favor.

Your decision to oppose us, I repeat, drove you to resort to using your family and friends; who have been progressively rolled up, such as Fernando, Carlos, Ramon, Gina and others. Since this is a war to the death, as far as we are concerned, our strength permits us the luxury of not retaliating indiscriminately. But our accounts are not paid and you must understand that in this type of struggle, there must be an eventual clearing of accounts.

Miguel, you know that we have concrete proof against persons close to you, against whom, until this time, we have not acted. These persons, in addition to the crime for which they are directly responsible, have dedicated themselves ultimately to the violation of many other laws of the country; the stimulus and example you have set in this matter has made you responsible for this. Even in light of the foregoing or any other of your economic or social needs, we ought to exchange opinions.

Our proposition is: To have a meeting in Canada or Spain, where we would discuss the entire situation with the intent of forgetting the past and examining present realities.

To let us know of your decision to go to one or another of the countries, send a cable to the address which is appended. If you will go to Canada, sign it Enrique, if Spain, Guillermo. Send this cable a month prior to your departure. When you arrive in the chosen country, send another cable indicating your exact location and contact instructions. If you are unable to go to either of the countries mentioned above, write an open text letter explaining why you can't, and an alternate suggestion.

Remember Miguel, that others depend on your decision. For this reason we recommend you be discreet. The bearer can add some details to our proposition.

You decide if the war is to continue. Some of us old figs who remember you prefer that it does not.

Miguel:

En los últimos años del proceso revolucionario he visto mucho de envidiosos antagónicos y, de cierta forma, nuestras actuaciones han sido correspondientes a tu decisión de combatirnos puesto al servicio de terceros intereses. Las batallas, de todo tipo, han tenido sus alternativas, pero sin dudas la balanza es favorable a nosotros.

Tu decisión de combatirnos, pronto, te impone la necesidad de acudir a familiares y amigos; los cuales han ido cayendo sucesivamente, como Fernando, Carlos, Ramón, Gina y otros. Pese a que esta guerra está planteada a muerte, nuestra fortaleza nos permite no tener que golpear indiscriminadamente. Pero nuestras cuentas no están saldadas y es necesario que entiendas que en este tipo de lucha no puede quedar alguien sin aclaración.

Miguel, tu sabes que tenemos pruebas demoledoras contra personas muy allegadas a ti, contra las cuales, hasta el momento, no hemos actuado. Esas personas, además de los delitos sobre los cuales tienes responsabilidad directa, se han dedicado últimamente a violar otras muchas leyes del país; tu culpa en esto último es el estímulo y ejemplo que les inculcaste. Alrededor de todo esto o de cualquiera otra necesidad humana, económica, social, que tuvieras debemos intercambiar opiniones.

Nuestra proposición es: Tener una entrevista en Canadá o España, donde discutiríamos toda una política encaminada a tratar de ir olvidando el pasado y situarnos a la altura de las realidades presentes.

Para hacernos llegar tu decisión de ir a uno u otro país, envías un cable a la dirección que te adjuntamos. Si vas al Canadá lo firmas Enrique y si vas a España, Guillermo. Este cable lo mandas un mes antes de partir. Cuando llegues al país envías otro diciendo el lugar exacto donde resides y como localizarte. De no poder ir a ninguno de los países señalados, escribes en texto convencional explicando lo que te lo impide y la solución que propones.

Recuerda, Miguel, que otros varios dependen de tu decisión, por lo que te recomendamos discreción. La cartadora puede agregarte algunos detalles de nuestro planteamiento.

Tu decides si la guerra continúa. Algunos viejos combatientes que te recordamos, preferiríamos que no.

1. COBFIELD and RAMSKILL had a second meeting with AMSTALK-1 at S/H 316. An enlargement of the message which was concealed in the crucifix and brought to Miami from Cuba by the cousin of AMSTALK-1 was shown to AMSTALK-1. He read the message and the English translation, commenting that the English coincided with his own interpretation.

2. AMSTALK-1's reaction to the contents of the letter was mild and he did not appear too concerned about the threats to his family (paragraphs 2 and 3). He stated that he did not recognize the name at the bottom of the letter (Arturo PITA Rey) and commented that from talks with his cousin he believed the real sender of the letter was Manolo PINIERO "Barba Roja" (Director of the DGI), and that the name and address was probably an accommodation address used by the Cuban Intelligence Service.

3. AMSTALK-1 identified the names in Paragraph 2 as follows:

Fernando - Fernando de ROJAS - husband of AMSTALK-1's cousin, Marta (the source of the message) presently serving a 30 year jail sentence in Havana. Fernando de ROJAS was described by AMSTALK-1 as a fanatical Catholic.

Carlos - Carlos PEDRAZA - husband of Gina ISALGUE who is AMSTALK-1's aunt and also in jail.

Ramon - Ramon GUIN member of former AMTRUNK net and connected with Rolando CUBELA presently sentenced to Isle of Pines Prison.

Gina - Gina ISALGUE sister of AMSTALK-1's mother and wife of Carlos PEDRAZA, presently in jail.

In addition AMSTALK-1 stated that the regime might also take action against his mother and another sister of his mother living together in Havana (ages 72 and 78 respectively) and unable to obtain permission to leave Cuba, and Andres VARGAS Gomez, a friend presently serving a jail term in Cuba.

4. AMSTALK-1 agreed to follow whatever course of action we wished, i.e. in terms of answering the letter, not answering it, arranging a meeting according to the instructions contained in the message, or other. He was told not to take any action re answering the letter until we advised him of our interest.

1. For the meeting AMSTALK-1 prepared the attached material. Attachment 1 is a type written report by AMSTALK-1 of events which took place in Cuba between his cousin, Marta ISALQUE Rodriguez de ROJAS, and Manolo PINEIRO and his representatives. Attachment 2 is a message written by AMSTALK-1 and addressed to PINEIRO containing his thoughts regarding a possible answer. (The message has not been sent by AMSTALK-1, and he will not take any action without our concurrence.)

2. On April 30, 1967 AMSTALK-1 met with his cousin. According to his cousin, the only persons, who know about the crucifix, and the conversations about it and the message, are Manolo PINEIRO, MENENDEZ and the other representative of PINEIRO inside Cuba; and AMSTALK-1 and herself in Miami. She told AMSTALK-1 that none of the conversation about the crucifix or the message took place in the presence of her husband, at the jail, and that MENENDEZ and the other PINEIRO Representative, specifically cautioned her not to reveal anything about the subject to anyone including members of the Cuban G-2, security etc. To her knowledge no one else knows about the subject. As a sidelight she told AMSTALK-1 that MENENDEZ had informed her that unless she cooperated with them and agreed to carry and deliver the message, she would not be permitted to leave Cuba; but that the other individual with MENENDEZ, interrupted at this point and told her that she would be permitted to leave whether or not she agreed to do as they asked.

3. AMSTALK-1 also stated that his cousin told him that she had not been asked by PINEIRO, or his representatives, or anyone else, to carry any other messages or do anything else for them in the U. S.

TO PAUL

FROM DAVID

SUBJECT: MESSAGE BROUGHT FROM CUBA BY MRS. MARTA ISALGUE RODRIGUEZ, WIFE OF FERNANDO DEL ROSAL PINICHE, WHO RESIDES AT 4740 NW. 1ST. MIAMI, FLA., TELEPHONE 445-3100.

BODY OF THE INFORMATION: MARIA ISALGUE'S HUSBAND WAS CONDEMNED TO PRISON FOR 30 YEARS IN 1961, ACCUSED OF CONSPIRING AGAINST THE COMMUNIST GOVERNMENT AND OF LEADING THE ORGANIZATION OF ING. RAY IN HAVANA. HE WAS FIRST HELD AT THE ISLE OF PINES AND IS CURRENTLY AT LA CABANA, HAVANA.

MARTA ISALGUE HAS THREE CHILDREN, 11, 9 AND 7 YEARS OLD, AND BECAUSE OF HER CHILDREN SHE HAD BEEN TRYING TO LEAVE CUBA FOR SEVERAL MONTHS. MRS. MARTA IS A CHILDHOOD FRIEND OF MANUEL PINEIRO, AS WELL AS ALL HIS FAMILY. FOR THIS REASON SHE DECIDED TO WRITE HIM A LETTER AT THE END OF THE MONTH OF JANUARY 67, SO THAT PINEIRO WOULD HELP HER LEAVE CUBA. THIS SHE DID AND APPROXIMATELY TEN DAYS FROM THEN A MAN APPROXIMATELY 45 YEARS OLD APPEARED AT HER HAVANA HOUSE LOCATED AT REPARTO DEL VELADO. THIS MAN CLAIMED TO BE PINEIRO'S SECRETARY (EXECUTIVE SECRETARY), WHO TOLD HER THAT MANOLO HAD RECEIVED HER LETTER BUT BECAUSE OF HIS MULTIPLE OCCUPATIONS IT HAD NOT BEEN POSSIBLE FOR HIM TO SEE HER; HOWEVER, HE HAD SENT HIM SO THAT HE WOULD HELP HER MAKE ARRANGEMENTS TO LEAVE THE COUNTRY AND THAT THE FOLLOWING

DAY HE WOULD GO TO IMMIGRATION TO ARRANGE FOR HER DEPARTURE.

APPROXIMATELY 25 DAYS FROM THE FIRST LETTER, MARTA SENT A SECOND LETTER ADDRESSED TO THE MINISTRY OF INTERIOR IN WHICH SHE REQUESTED SHE BE ALLOWED TO KNOW WITHOUT ANY EVASION IF HER PROBLEM COULD BE SOLVED OR NOT. THE NEXT DAY MANOLO PINEIRO TELEPHONED HER AND SPOKE WITH HER FOR 45 MINUTES. DURING THE CONVERSATION, ALMOST AT THE END OF IT, HE ASKED, "AND YOUR BROTHER?" SHE REPLIED, "WHAT BROTHER?" AND THEN HE SAID, "MIGUEL WHO HAS BEEN VERY CALM LATELY." SHE REPLIED, WHAT ELSE COULD SHE DO. SHE HAD THREE CHILDREN AND HAD TO WORK HARD FOR THEIR SUPPORT. AT THE END OF THE CONVERSATION PINEIRO TOLD HER THAT HE WOULD SEND SOME FRIENDS TO SEE HER. THE NEXT DAY TWO MEN ARRIVED. ONE OF THEM USING THE NAME OF MENENDEZ SAID THAT HE KNEW ME AND THAT HE HAD A LETTER FROM A FRIEND TO SEND ME. USING THIS PRETEXT HE ASKED MARTA FOR AN OBJECT WHERE HE COULD INSERT A MESSAGE. MARTA SHOWED HIM SEVERAL THINGS AND HE CHOSE THE CROSS. AT THAT MOMENT HE TOLD HER THAT SHE WOULD BE LEAVING ON 11 APRIL AND THAT HE WOULD COME TO PICK HER UP SO THAT SHE WOULD SEE HER HUSBAND BEFORE SHE LEFT. 10 DAYS LATER HE RETURNED WITH THE CROSS AND TOLD HER WHERE THE MESSAGE WAS HIDDEN, THEN TOOK HER TO SEE HER HUSBAND AT LA CABANA.

MENENDEZ RECOMMENDED TO MARTA MAXIMUM DISCRETION EMPHASIZING THAT ONLY FIVE (5) PERSONS KNEW OF THE MESSAGE: MARTA, THEY TWO, PINEIRO, AND OF COURSE I WHO WOULD FIND OUT WHEN THE MESSAGE WAS DELIVERED TO ME AND THAT MY REACTION UPON RECEIVING IT COULD DEPEND ON THE SOLUTION OF MANY/FAMILIAR PROBLEMS OR PROBLEMS OF THE FAMILY. THIS MENENDEZ WAS PRESENT WHEN MARTA CHECKED IN AT THE LAGUITO IN HAVANA AND

00000

ALSO AT THE VARADERO AIRPORT WHEN MARTA LEFT FOR THE UNITED STATES. THEY ALSO DEMANDED THAT SHE DID NOT MENTION TO ANYONE OF THEIR CONVERSATION NOT EVEN WITH ANY MEMBER OF THE MINISTRY OF INTERIOR THAT IT WOULD NOT BE THEM. THE INTERVIEWS TOOK PLACE IN MARTA'S HOUSE IN HAVANA.

ATTACHMENT #2

MANOLO:

RECEIVED YOUR LETTER THRU MY SISTER MARTA AND MY ANSWER IS AS FOLLOWS: SINCE YOU GAINED THE POWER IN CUBA IT WAS MY DECISION TO FIGHT YOU; HAVING DONE SO FROM THE FIRST MOMENT NOT DUE TO POLITICAL OR ECONOMICAL AMBITION BUT TO THE IDEOLOGICAL DISCREPANCIES YOU WELL KNOW. I DO NOT KNOW IF YOU REMEMBER THAT <sup>THE YEAR</sup> IN/1956 WE SAW EACH OTHER AT THE CAFE WHICH BELONGS TO YOUR COUSIN IN AGUIAR AND OBRAPIA IN OLD HAVANA. THEN YOU TOLD ME THAT YOU WERE GOING TO THE SIERRA MAESTRA AND I TOLD YOU THAT I WAS LEAVING FOR THE UNITED STATES. FROM THAT TIME AND EVEN BEFORE THEN WE HAVE NOT FOLLOWED THE SAME IDEOLOGICAL LINES. I KNOW THAT I HAVE FAMILY AND VERY DEAR FRIENDS, SOME IMPRISONED AND OTHERS AT YOUR MERCY, IN MY COUNTRY, BUT THAT I <sup>KNEW</sup> / FROM THE TIME I CLANDESTINELY LEFT CUBA. FOR THIS REASON I DO NOT BELIEVE THAT THE REALIZATION OF THESE FACTS COULD AFFECT YOU OR ME. IF THE SCALE IS IN YOUR (PL.) FAVOR AS THEY SAY AND IF AS YOU SAY YOU HAVE BEEN GENEROUS, I DO NOT BELIEVE THAT YOU ARE GOING TO CHANGE YOUR WAY OF ACTING FOR THE PLEASURE OF PUNISHING SOME ELDERLY AND POOR INDEFENSIVE PRISONERS. WITH REGARDS TO A CONVERSATION I HAVE NO OBJECTION IN HAVING <sup>ONE</sup> / AT ALL IN ANY ONE OF THE TWO COUNTRIES YOU HAVE MENTIONED AS LONG AS YOU SEND ME THE MONEY FOR THE ROUND TRIP FARE TO THAT LOCATION AND, OF COURSE, WITH THE UNDERSTANDING THAT THE ONLY OBJECTIVE OF THE TRIP IS TO CONVERSE PREFERABLY WITH YOU MANOLO, SINCE WE BOTH KNOW EACH OTHER.

I. SEVERAL ITEMS IN REF CALL FOR COMMENT:

A. OPERATION APPEARS TO BE DEFINITELY UNDER PERSONAL DIRECTION MANUEL PINEIRO, AS EVIDENCED BY PHONE CALLS AND MENENDEZ STATEMENT PARA 7 REF.

B. OPERATION IS OBVIOUSLY PROFESSIONAL INTEL JOB. STRIP FILM WELL DONE AND CRUCIFIX CONCEALMENT DEVICE EXCEPTI-  
ONALLY EFFECTIVE.

C. IN CIRCUMSTANCES, THIS PROFESSIONALISM APPEARS UN- NECESSARY. LETTER FROM PINEIRO TO AMSTALK-1 (ON PAPER, NOT STRIP FILM) COULD HAVE EASILY BEEN GIVEN AMSTALK-1 COUSIN FOR DELIVERY AS REFUGEES ARE NOT BODILY SEARCHED AND CUBANS DOUBTLESS AWARE OF THIS. IN FACT LETTER COULD HAVE BEEN MAILED FROM HAVANA OR NEW YORK (AS HAVE BEEN OTHER RECRUITMENT LETTERS) THROUGH MAILING WOULD PERHAPS REDUCE BONA FIDES.

E. NO MENTION WAS MADE IN LETTER OF ADVANCING MONEY, OR  
REIMBURSING AMSTALK-1, FOR TRAVEL TO SPAIN OR CANADA.

F. ALL AVAILABLE INFO INDICATES AMSTALK-1 WELL KNOWN BY  
CUIS TO BE NOT ONLY WOFAC, BUT ALSO ADAMANTLY OPPOSED TO  
CASTRO REGIME, TO EXTENT CUIS WOULD NOT EXPECT HIM TO COOP-  
ERATE EVEN IF FAMILY INSIDE THREATENED.

2. ABOVE LEADS JMWAVE TO BELIEVE THAT PINEIRO, IN SETTING

WOFAC CASE OFFICER, WHO COULD EASILY READ STRIP FILM LETTER  
AND FOR WHOM USE OF STRIP FILM AND PROFESSIONAL CONCEALMENT DEVICE  
WOULD PROVIDE BONA FIDES THAT THIS ACTUALLY IS CUIS OP.  
IN SHORT, APPEARS TO STATION THAT PINEIRO FULLY EXPECTS, IF  
AMSTALK-1 MAKES MEETING REQUESTED, THAT IT WILL BE UNDER  
WOFAC SPONSORSHIP.

3. IF THIS TRUE, PURPOSE OF OP IS UNCLEAR. APPEARS  
DOUBTFUL THAT CUIS AIM IS TO KIDNAP OR OTHERWISE HARM

HAVE NO REASON BELIEVE THEY CONSIDER AMSTALK-1 SUFFICIENTLY

ACTION REQUIRED - REFERENCES

Action Required: For Your Information

1. Operational Activity:

A. During the period June-August 1966, AMSTALK/1 was instrumental in assisting in the preparation of the ANTRUNK Operational Team consisting of AMAKA/1, AMTRUNK/24, and AMTRUNK/25 for STEAMER IX and X, a two phase operation targetted at southern Matanzas and Havana. During the final planning stages, however, it was decided to omit for the present the portion of the operation directed at Havana, and AMTRUNK/7, a former ANTRUNK Team guide on operations in the northern Matanzas area, was rehired specifically for the exfiltration phase of the STEAMER IX and X Operation. AMSTALK/1 was responsible for convincing AMTRUNK/7 to rejoin his former team, and arranged the necessary cover details which would explain AMTRUNK/7's absence from the JMWAVE area during the operation.

B. During July 1966, AMSTALK/1 attended the majority of the three week communications instructors course, but as the result of the press of business in preparing for the STEAMER Operation, was unable to complete the course; it is believed, however, that AMSTALK/1 could perform as a qualified instructor even though he did not receive his "diploma".

C. A part of AMSTALK/1's contribution to the STEAMER Operation was the extensive and comprehensive debriefing of refugees to the JMWAVE area from the operational area. The information obtained from these reports was of value to the ANTRUNK Team in planning for the STEAMER Operation.

2. Operational Expenses:

Salary (June-August 1966 Gross)	\$1,476.00
Mileage (June-August 1966)	383.00

3. Intelligence Production:

AMSTALK/1 did not provide any disseminable reports during the period under review. He did, however, provide the Station with considerable operational information through his contacts in the local community, and through refugee leads provided by the Station.

4. Projected Plans:

STEAMER IX and X is planned for launching on 11 September 1966. AMSTALK/1 who has assisted in the planning phase, and who has provided the Station with the services of AMTRUNK/25 and AMTRUNK/7 will accompany the AMTRUNK Team during its travel to its infiltration point and during its return from its exfiltration point in order to provide on-the-spot guidance and support.

2 June 1966

Subject: Iden A

AMSTALK/1 was interviewed and tested on 2 June 1966 at a safe site in the Mismi area at the request of George H. RAMSKILL. The interview was conducted in English.

AMSTALK/1 is a Principal Agent of an infiltration team.

RESULTS

AMSTALK/1 is not cooperating in any way with the government of any country other than PRPRIME.

He has never done anything on purpose to cause a mission to fail.

He is not obligated to any of the Cuban exile organizations.

He does not discuss with or report to any unauthorized persons regarding his operational activities. He has not taken any unauthorized persons to a safehouse or a training site.

AMSTALK/1 was asked whether anything had ever happened on a mission which he did not report during his after-action debriefings. He replied in the negative and there was no indication of deception.

DETAILS

AMSTALK/1 stated that he was interested in the possibilities of going into private business in Costa Rica, but so far he had made no commitments. If and when he does he plans to give KUBARK the necessary notice.

EXAMINER'S NOTE:

While AMSTALK/1's charts during previous tests were unresolved, the charts of 2 June 1966 were readable and are considered valid.

ACTION REQUIRED - See Below

REFERENCES - None

1. During late 1962 while still a member of the AMICE organization, AMICE-14 received some informal paramilitary training from JMWAVE. The cryptonym was assigned to him at that time.

2. Subject resigned from AMICE in March 1963 at which time he became a fully-recruited asset of Station JMWAVE. Subject has been associated with the MHAPRON-oriented AMTRUNK (STEAMER) project as Team Leader and Principal Agent since his resignation from AMICE.

3. Since Subject's activities for the past three years have been totally unrelated to those of AMICE, it is requested that his cryptonym be changed to forestall any further possible confusion between his current duties and the activities of his former parent organization.

4. In anticipation of a favorable reply to this request, the cryptonym AMICE-14 will be cancelled effective 15 March 66 and the new cryptonym AMSTALK-1 assigned to the Subject of 201-307337 as of that date.
